SPONSORSHIP GUIDE

BENEFITING

PRESENTED BY

YOU CAN MAKE AN IMPACT

This year, in mid June, Philadelphia welcomes A'21 and its more than 20,000 attendees. Before A'21 begins, AEC Cares kicks off #projectPhilly, bringing together architects, engineers, manufacturers and contractors for one shared purpose: to give back to those most in need in our A'21 host city.

Your professional assistance can make #projectPhilly a success.

WHAT IS #projectPhilly?

This year, AEC Cares joins forces with the The Sunday Breakfast Rescue Mission for #projectPhilly. Sunday Breakfast Rescue Mission serves those experiencing homelessness in Philadelphia. The Mission is the only provider of three meals a day, 365 days of the year to anyone in need. The Mission offers an array of homeless day services and clinics to men and women. Additionally, the Mission has a 30- day men's emergency shelter and offers a 12 month transitional housing program to men. The Mission relies on the generous contributions of caring individuals, families, churches and businesses.

On June 16, the day before A'21 kickoffs, more than 100 attendees will converge to paint, install, replace, repair and clean Sunday Breakfast Rescue Mission's facility. When finished, the Sunday Breakfast Rescue Mission will have an updated facility to provide vital services to Philadelphia's most underserved.

ABOUT THE

SUNDAY BREAKFAST RESCUE MISSION

Founded in 1878, The Sunday Breakfast Rescue Mission has reached out to the homeless in Philadelphia for more than 140 years.

Originally named the Sunday Breakfast Association, the name was changed a few years ago to reflect our expanded services as a Rescue Mission.

Rescue Missions are similar to a traditional homeless shelter, but focus on caring for the spiritual needs in addition to the practical needs of people.

ABOUT AEC CARES

For one day each year, AEC Cares brings together AEC professionals from all over for one shared purpose: to give back.

We partner with a local nonprofit, building material suppliers, contractors and designers to give back to those most in need in the gracious cities that host the AIA Conference on Architecture each year. Previous project locations include New Orleans, Washington DC, Orlando, Philadelphia, Chicago, Denver, Atlanta, Houston, and Las Vegas.

AEC Cares teams up with ConstructConnect, the AIA and HanleyWood along with our generous sponsors, donors, volunteers and designers to make as big of an impact as possible in a single day.
