Bid Center

There are 2 other statuses located under the gear icon in the upper right of Bid Center. They allow you access to your Not Bidding and Archived projects. The default display will show you just active projects in your 5 main statuses to the left.

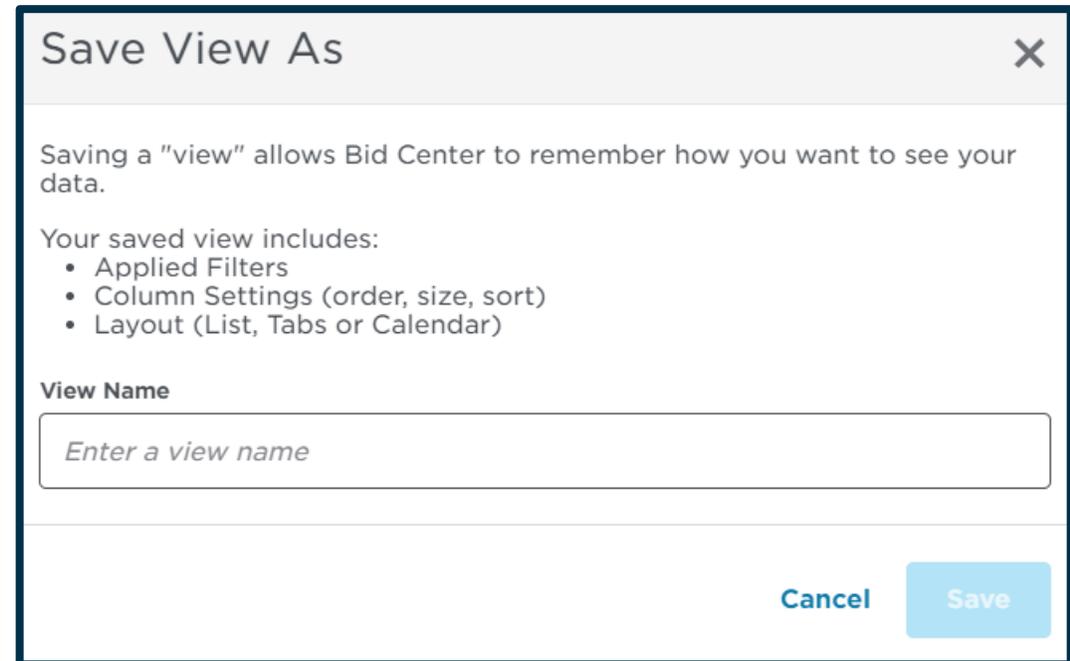

The screenshot displays the Bid Center interface. At the top left, the title "Bid Center" is visible. On the top right, there are buttons for "Load View" and "Save View As", along with a gear icon for settings. Below the title bar, there are navigation options: "List", "Tabs", "Card", "Calendar", and "Filters". A horizontal status bar shows five categories: "Inbox" (7), "Under Review" (7), "Bidding" (10), "Bid Sent" (13), and "Won" (9). The "Inbox" category is highlighted. A dropdown menu is open from the gear icon, titled "Display:", and it lists four options: "Active Projects (Inbox, Under Review...)" with a checked checkbox, "Not Bidding (Inactive)", and "Archived (Inactive)".

Bid Center

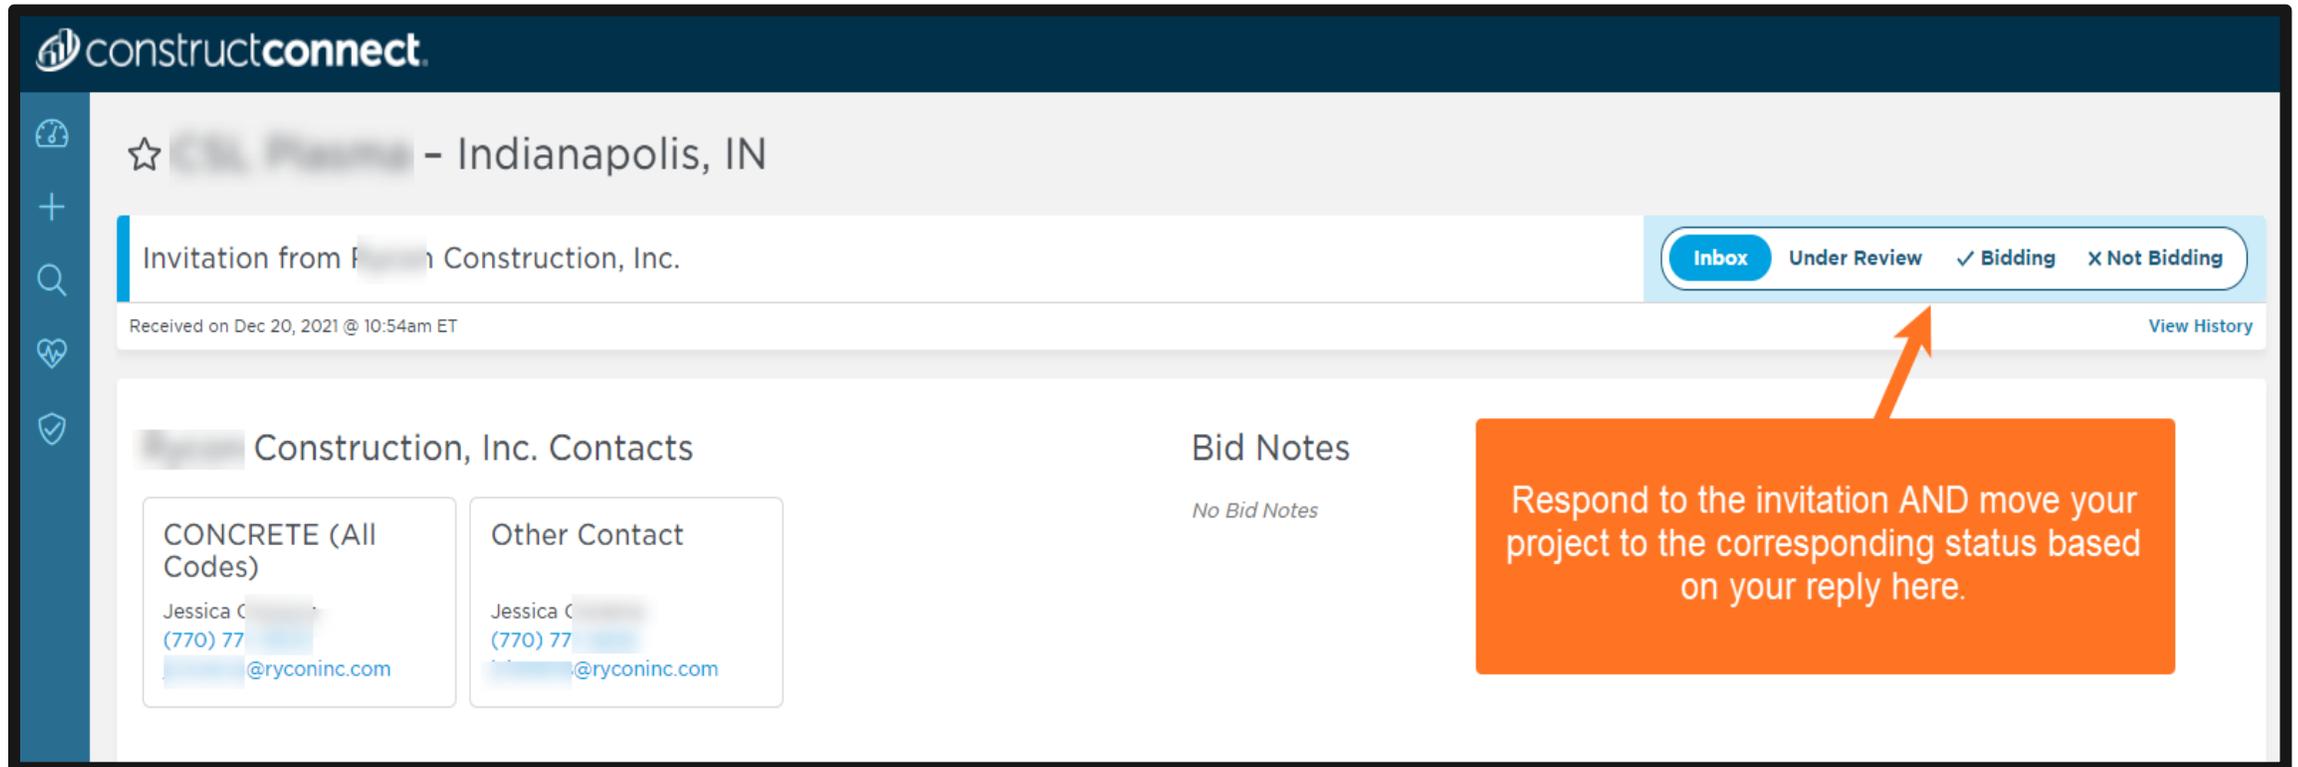

Bid Center gives you the ability to customize how you view your projects. Personalized views allow you to work and see your projects how you want to.

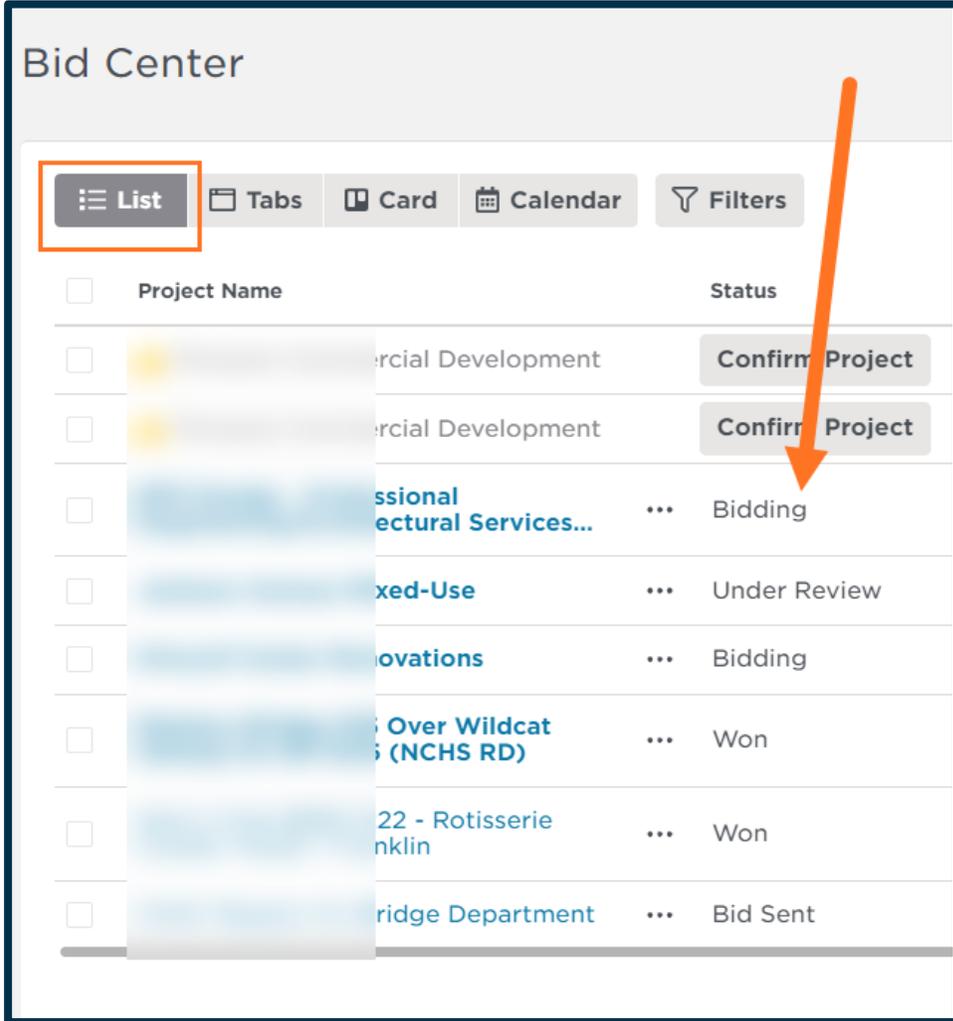

Bid Center

Quickly and easily respond to your ITB's by simply opening a project and selecting your response.

The screenshot displays the ConstructConnect Bid Center interface. At the top, the ConstructConnect logo is visible. Below it, a navigation sidebar contains icons for home, plus, search, heart, and shield. The main content area shows a project titled "★ [Redacted] - Indianapolis, IN". Below the title, an invitation from "F... Construction, Inc." is displayed, received on Dec 20, 2021 @ 10:54am ET. A status filter bar at the top right includes "Inbox", "Under Review", "✓ Bidding", and "X Not Bidding". A "View History" link is located at the bottom right of the invitation header. Below the invitation, there are two contact cards for "Construction, Inc. Contacts": "CONCRETE (All Codes)" and "Other Contact", both listing Jessica C. [Redacted] with phone number (770) 77 [Redacted] and email [Redacted]@ryconinc.com. A "Bid Notes" section shows "No Bid Notes". An orange callout box with an arrow pointing to the status filter bar contains the text: "Respond to the invitation AND move your project to the corresponding status based on your reply here."

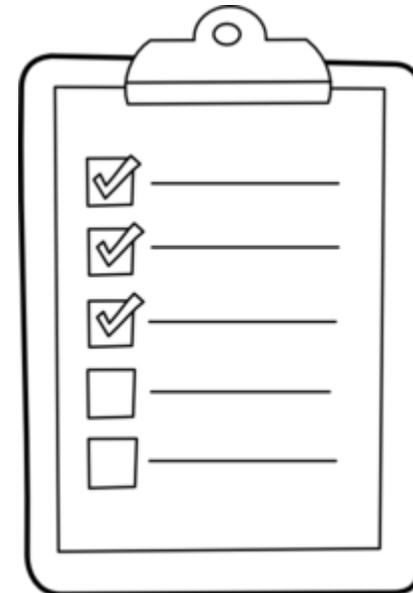

Bid Center

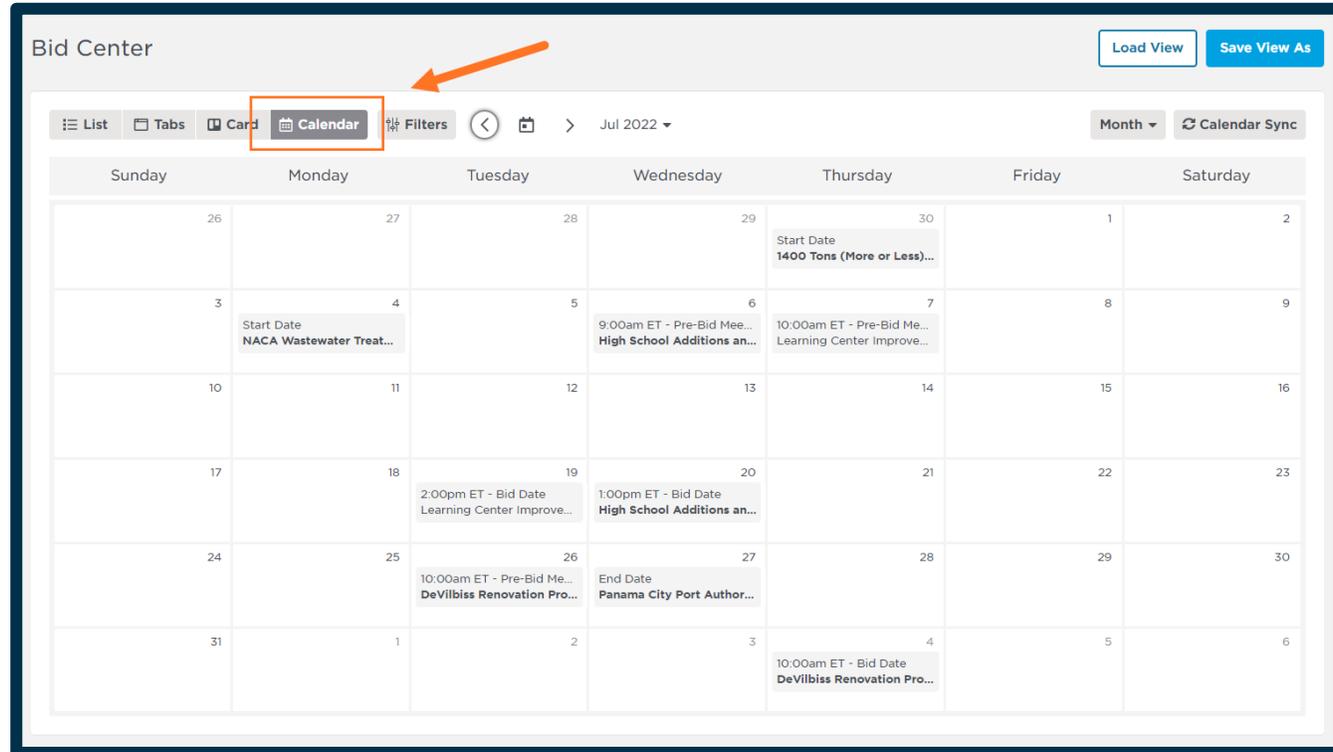

The screenshot displays the 'Bid Center' interface. At the top, there are navigation options: 'List' (highlighted with an orange box), 'Tabs', 'Card', 'Calendar', and 'Filters'. Below this is a table of projects with columns for 'Project Name' and 'Status'. An orange arrow points from the 'List' button to the 'Confirm Project' button in the 'Status' column of the first row.

<input type="checkbox"/>	Project Name	Status

Below the navigation tabs is a horizontal flow of status filters: Inbox (7), Under Review (7), Bidding (10), Bid Sent (13), and Won (9). The 'Won' filter is highlighted with an orange box. Below the filters is a table header with columns: Project Name, Status, Match, and Company.

Move all the projects you have been awarded to your Won status so that you can track your ROI.

Bid Center

Pro Tip: Use your Not Bidding & Archived statuses to keep your pipeline clean with only projects you are actively working.

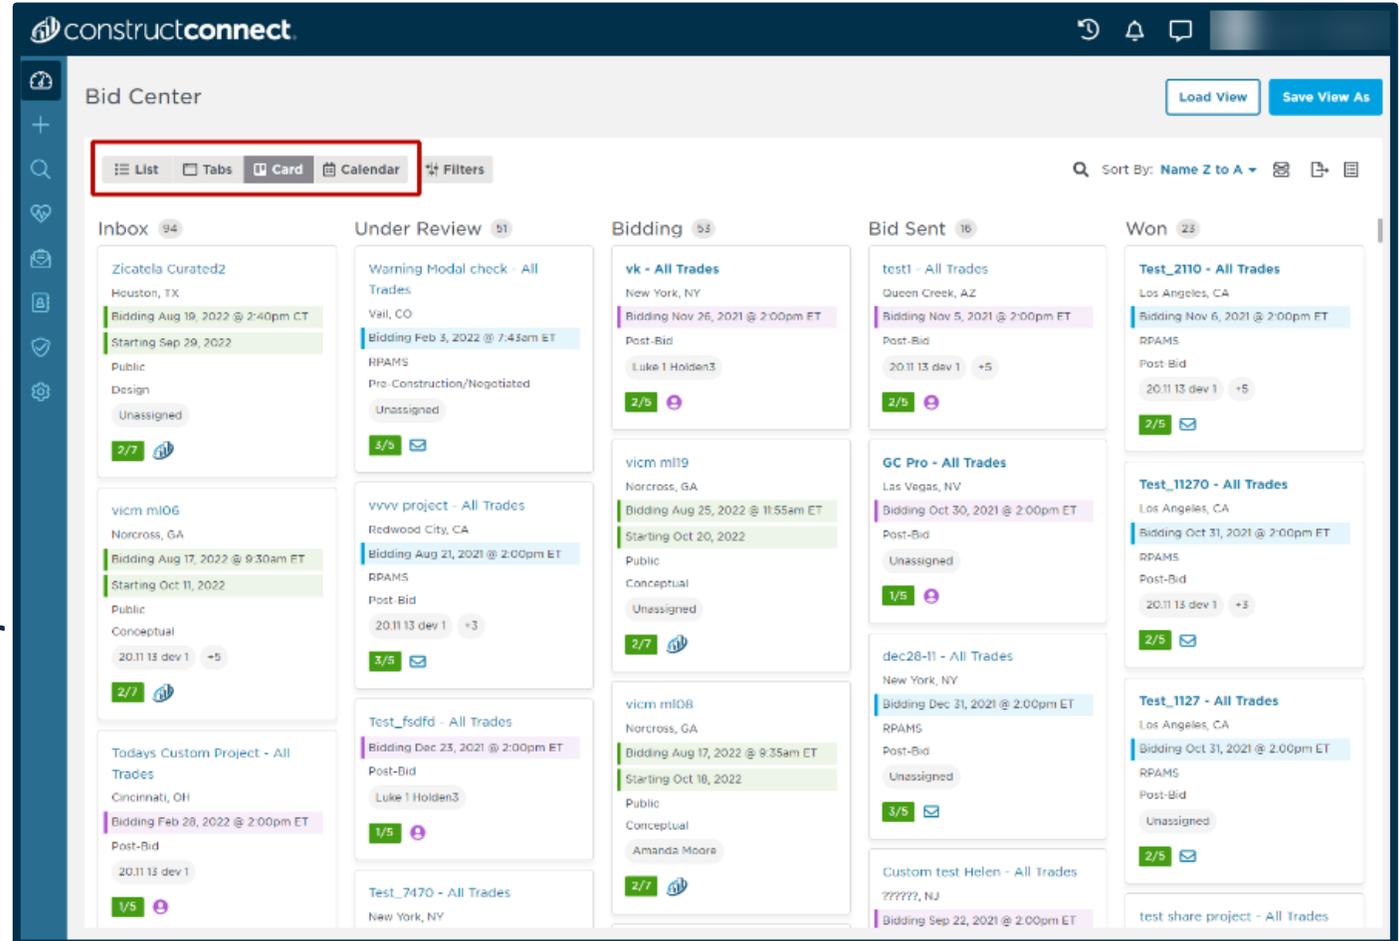

The screenshot shows the Bid Center interface. At the top left, it says "Bid Center". On the right, there are buttons for "Load View" and "Save View As", and a settings gear icon. Below this, there are view options: "List", "Tabs", "Card", "Calendar", and "Filters". A pipeline is shown with stages: "Inbox" (7), "Under Review" (7), "Bidding" (10), "Bid Sent" (13), and "Won" (9). On the right side, a settings menu is open, titled "Display:", with the following options:

- Active Projects (Inbox, Under Review...)
- Not Bidding (Inactive)
- Archived (Inactive)

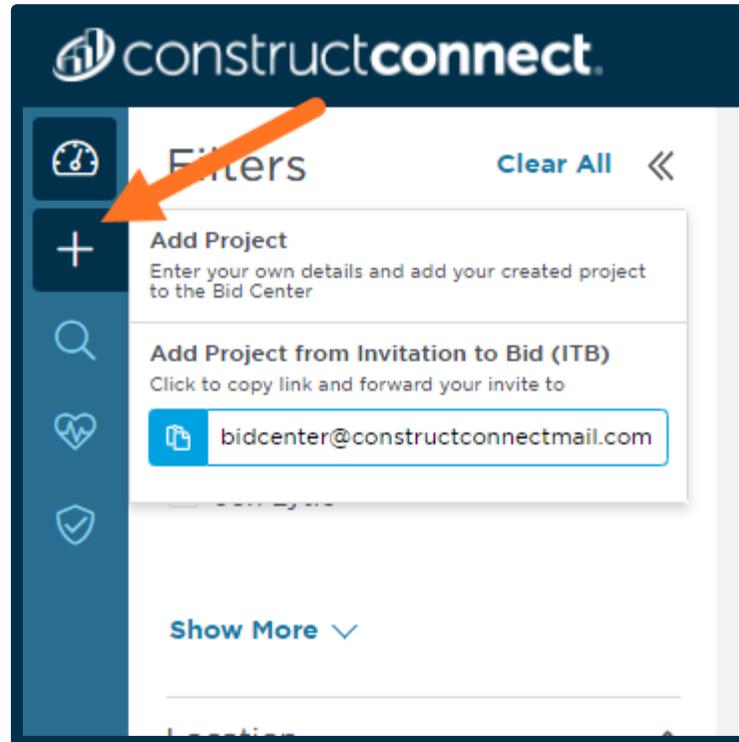

Bid Center

Card View helps you organize your projects by assigned user, a specific location or building use, or upcoming bid. Simple drag-and-drop functionality also lets you move a card (project) from one stage to another so that your team is always focused on the most important opportunities for your organization.

The screenshot displays the ConstructConnect Bid Center interface. At the top, the ConstructConnect logo is visible on the left, and navigation icons (refresh, notifications, chat) are on the right. Below the logo, the title "Bid Center" is centered, with "Load View" and "Save View As" buttons on the right. A navigation bar below the title shows "List", "Tabs", "Card" (highlighted with a red box), and "Calendar" views, along with a "Filters" button. A search bar on the right contains "Sort By: Name Z to A" and icons for search, share, and list. The main area is a grid of project cards, each representing a bid opportunity. The cards are organized into columns: "Inbox" (94), "Under Review" (51), "Bidding" (53), "Bid Sent" (16), and "Won" (23). Each card displays project details such as name, location, bidding dates, status (e.g., Public, Design, Conceptual), and progress indicators (e.g., 2/7, 3/5, 1/5).

Bid Center

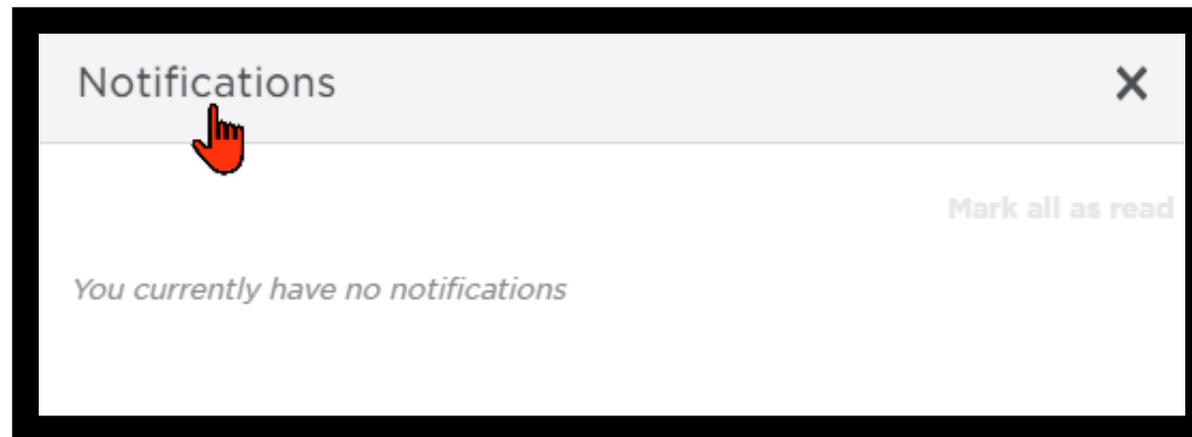

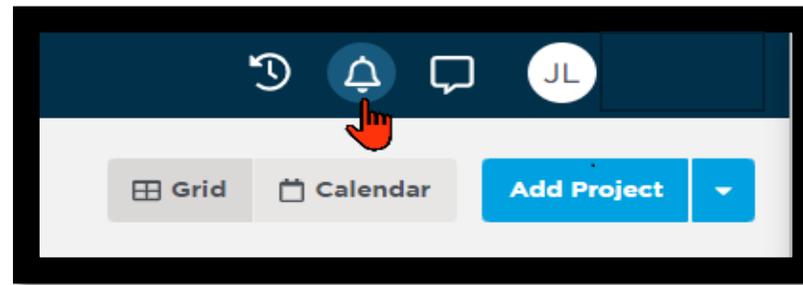

Add projects from anywhere to your Bid Center Pipeline so you can work all your projects in one central location.

Projects can be manually created or simply forward us the email with your ITB or project information.

The bell icon at the top of your screen is the Notifications Center.

Bid Center

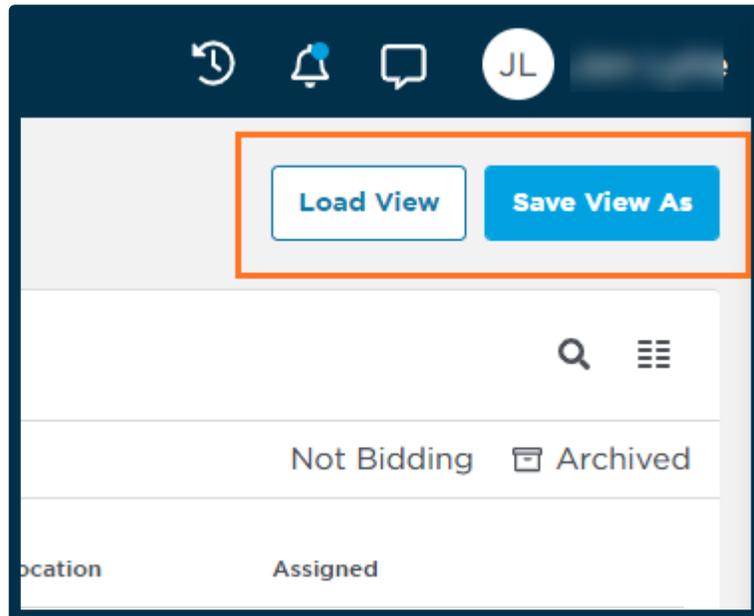

The screenshot shows a 'Filters' sidebar with a 'Clear All' button and a back arrow. It is divided into several sections: 'Assigned' (with a red arrow pointing to the header), 'Location' (with a red arrow pointing to the header), 'Events' (with a red arrow pointing to the header), and 'Building Use' (with a red arrow pointing to the header). Each section contains a list of checkboxes for various filter options. There are also 'Show More' expandable options at the bottom of the 'Assigned' and 'Building Use' sections.

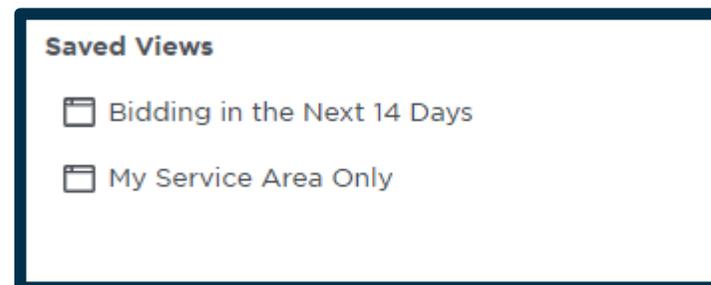

Pro Tip: Use filters to see just the projects you want to see.

-  Filter by:
-  Assigned
-  Location
-  Events
-  Building Use

Bid Center

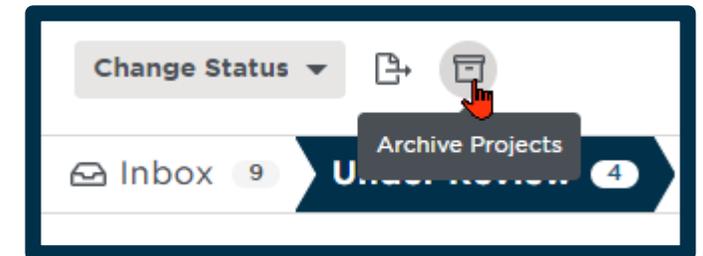

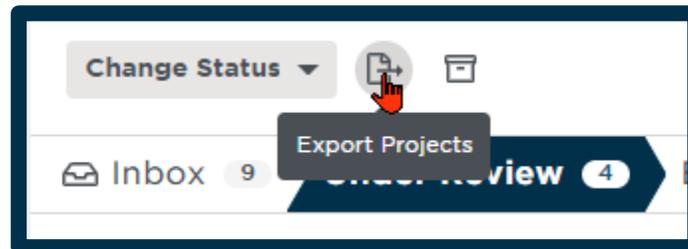

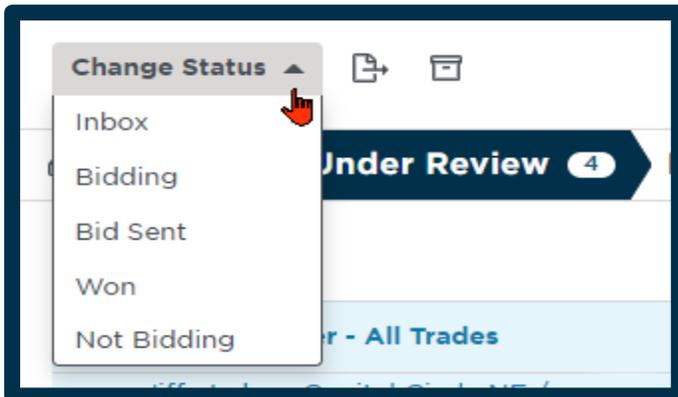

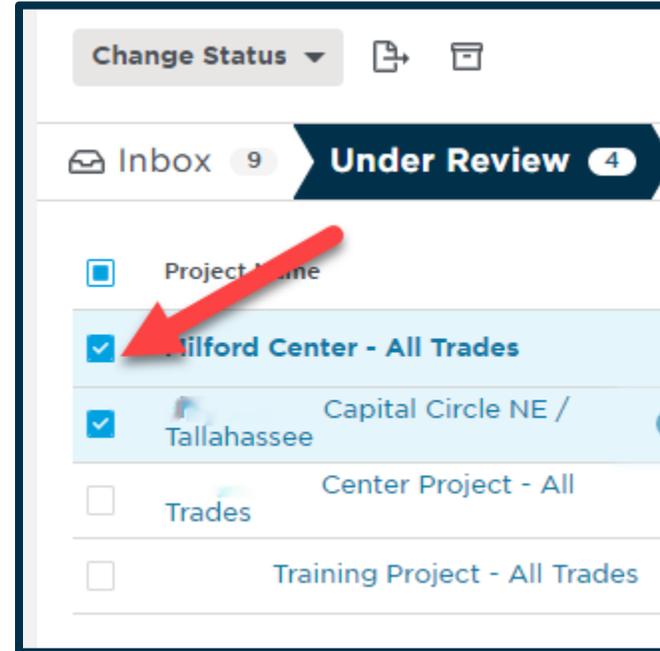

Saved Views allow you to customize how you want to see your data. You can easily switch between saved views that you have created. Simply select the Filters for just the data you want to see. Save View As also allows the user to create multiple customized views.
