Set the value range of projects you wish to bid on.

Note: Project Value in our system will always be for the total of all reporting trades on a project.

Tell us the value range you want to find in projects.

Between \$200K and \$7 Million

The image shows a slider control within a dark blue-bordered box. At the top, it says "Tell us the value range you want to find in projects." Below that, it says "Between \$200K and \$7 Million". The slider consists of a horizontal grey track with two white circular handles. A blue bar highlights the segment between the two handles. A red arrow points from the top right towards the right-hand handle.
