## Project and Company Watchlists

Your Watchlist is the best way to manage not only the projects that you are watching but also your network of companies. It gives you instant access to project lists, work portfolios and contact information for key players to network with.

ConstructConnect has taken the work out of networking.

# ConstructConnect Project Intelligence

## Project and Company Watchlists

Setting up your Project Watchlist is easy! Just select the star to the left of the project name.

# ConstructConnect Project Intelligence

## Project and Company Watchlists

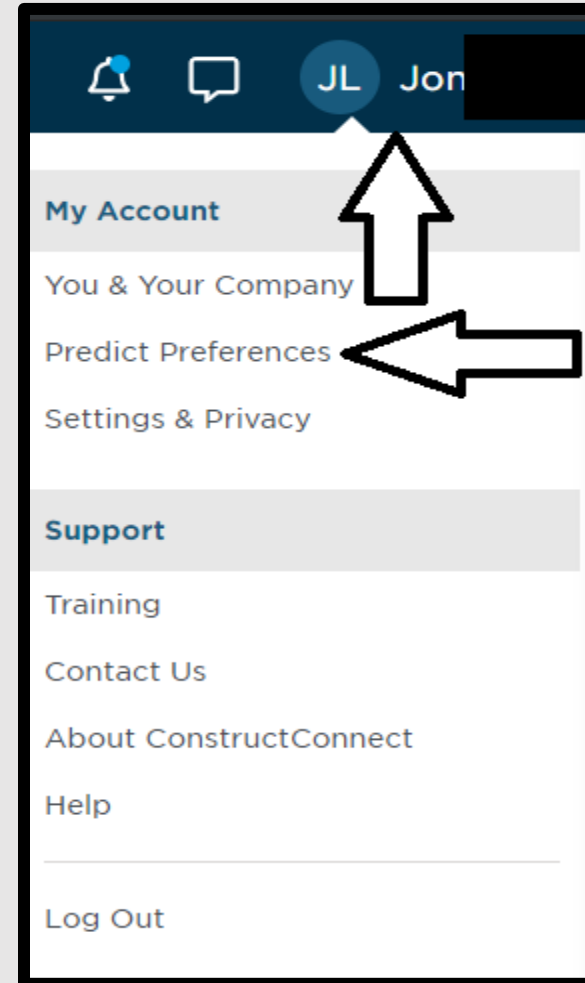

Or when you open the project, you can add any project to your favorites by selecting the watch icon.

Pro Tip: Add projects to your watchlist to receive notifications when they are updated!

# ConstructConnect Project Intelligence

## Project and Company Watchlists

To set up your Company Watchlist (Favorite Companies) first click on your name, under My Account, then select Predict Preferences.

# ConstructConnect Project Intelligence

## Project and Company Watchlists

## Project and Company Watchlists

Or you can add any company to your favorites by selecting the watch icon when you open their profile.

# ConstructConnect Project Intelligence

## Project and Company Watchlists

To access your Watchlists, hover over the heart icon in your navigation bar on the left of your screen in Project Intelligence, then choose Watch List.

# ConstructConnect Project Intelligence

## Project and Company Watchlists

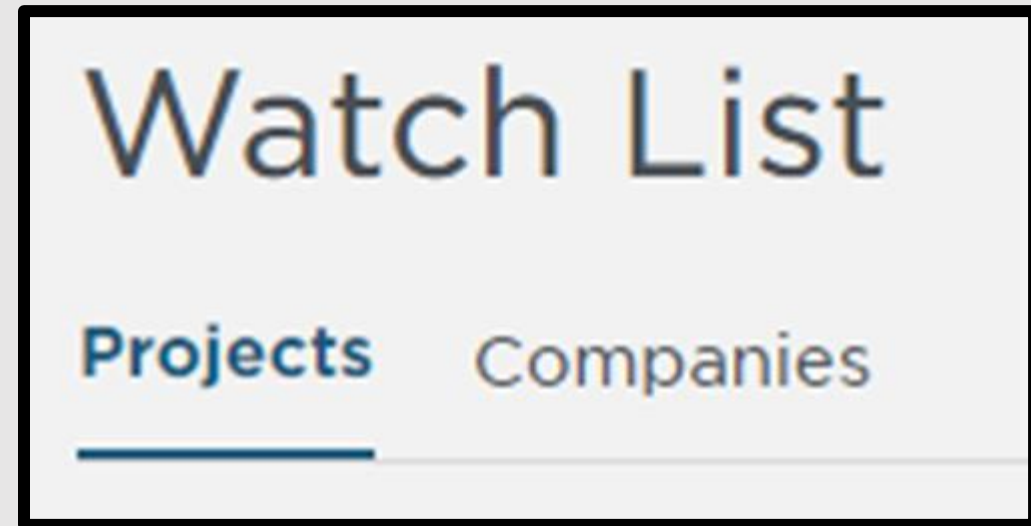

Your Watch List is the best way to manage not only the projects you are watching, but also your network of General Contractors that you enjoy working with, have worked with or you want to work with. The Watch List will give you instant access to their list of projects, a breakdown of their work portfolios year over year and key players to network with.

# ConstructConnect Project Intelligence

## Project and Company Watchlists

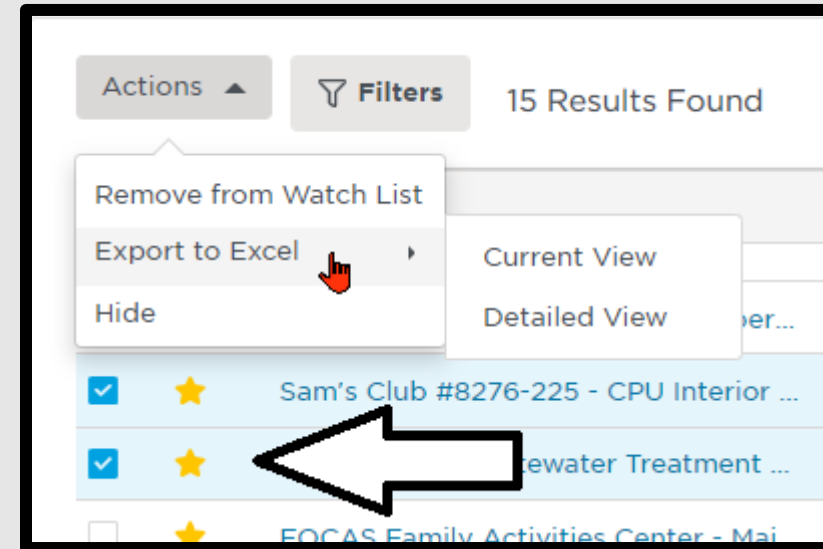

The Watch List screen will allow you to access both your Project and Company Watchlists.

# ConstructConnect Project Intelligence

## Project and Company Watchlists

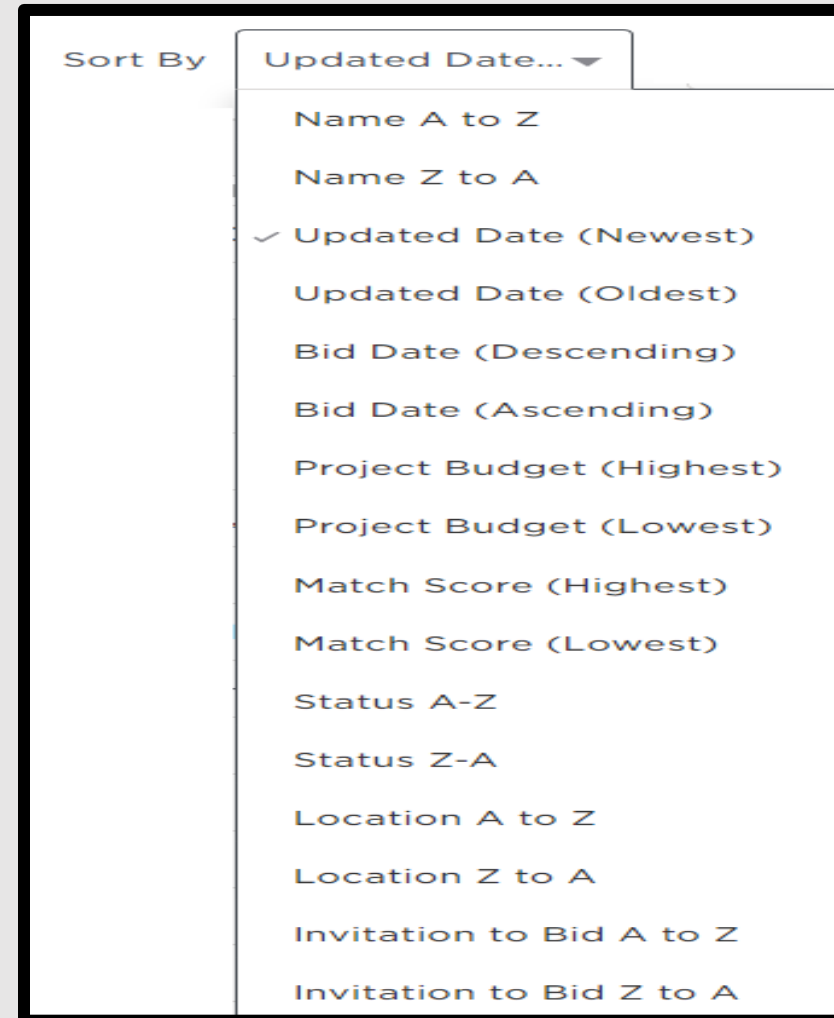

Once in your watchlists, use the selection boxes with the Actions dropdown to Add/Remove from your Watchlist, Download to a CSV file and Hide projects or companies you no longer need.

# ConstructConnect Project Intelligence

## Project and Company Watchlists

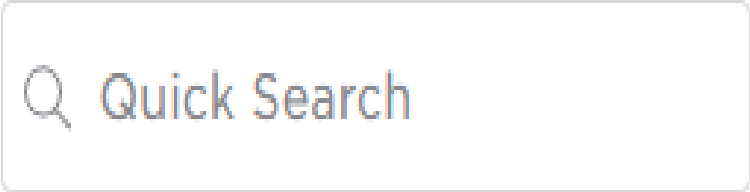

There are many options you can use to sort your Watchlists.

# ConstructConnect Project Intelligence

## Project and Company Watchlists

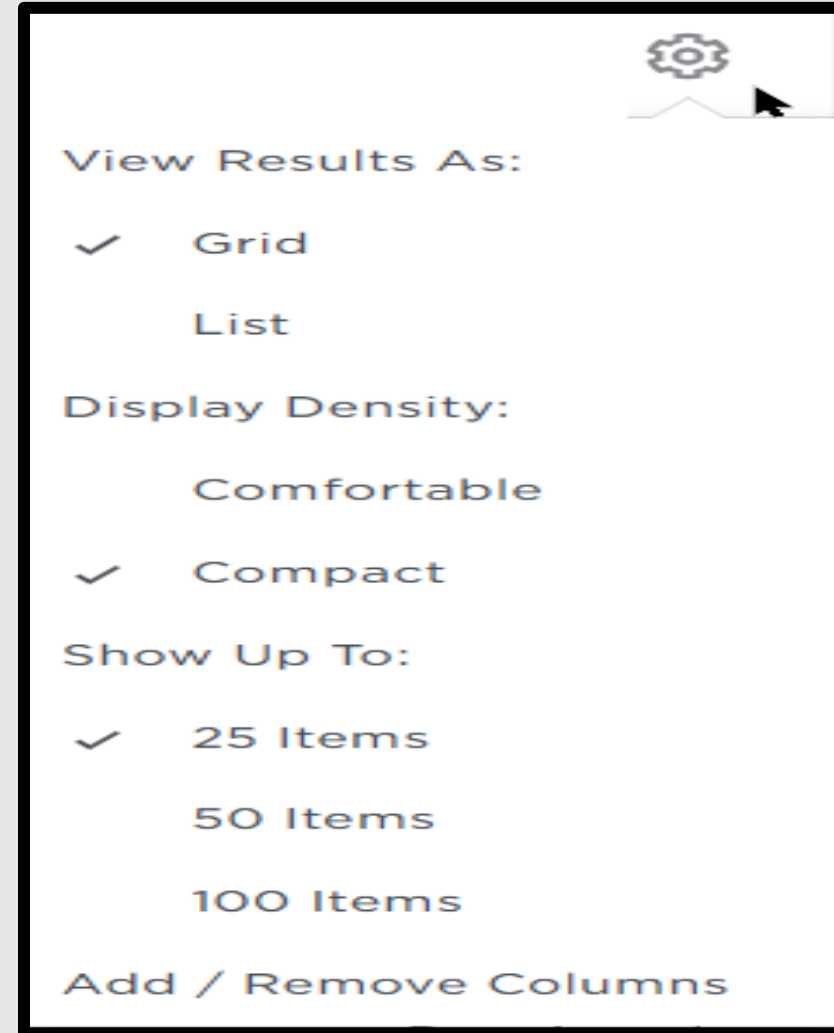

You can do a quick search to find what you are looking for.  
(Ie. Walmart or Taco Bell or I-275 Etc.)

A rectangular search input field with a light gray border and rounded corners. Inside the field, there is a magnifying glass icon on the left and the text "Quick Search" in a light gray font.

# ConstructConnect Project Intelligence

## Project and Company Watchlists

The gear icon will allow you to change your view in your Watchlists.
